PROFILE

My fascination and endless opportunities around digital product development made me take a step back to think about career transition and drove me to become a self-taught Frontend Developer. Also, the mission continues toward end-to-end Web Application Development.

I am passionate about learning and development with a desire to apply skills to a highly collaborative work environment.

WORK EXPERIENCE

Junior Assistant
Repco Bank (Govt. of India Enterprise)   **AUG 2015 - APR 2018**

Extensive knowledge on the working of Indian Banking system. Done certifications on the cores of the system.
Contributor to the organization's profit at every stage in the Banking business cycle.

EDUCATION
